Product name	Eye gel plus – with hyaluronic acid and butcher's broom for the care of the area around the eyes
INCI	Aqua • Pentylene Glycol • Glycerin • Galactoarabinan • Propylene Glycol • Ruscus Aculeatus Extract • Hydrogenated Lecithin • Panthenol • Cucumis Sativus Extract • Caprylic/Capric Triglyceride • Butyrospermum Parkii Butter • Sodium Hyaluronate • Hydroxypropyl Starch Phosphate • Squalane • Xanthan Gum • Sodium Carbomer • Acrylates/C10-30 Alkyl Acrylate Crosspolymer • Alcohol • Ceramide 3
	
Composition	DMS®-gel formulation with hyaluronic acid, butcher's broom and cucumber extract and panthenol
Properties	Eye gel plus has moisturizing and smoothing effects due to its hyaluronic acid and panthenol content. Ruscin, ruscogenin and neoruscogenin contained in butcher's broom extract are astringent and toning for the vascular system. It spreads easily and the DMS® contained stabilizes the skin barrier around the eyes.
Application	Apply the gel sparingly to the areas around the eyes. Eye gel plus is also recommended as a smoothing and moisturizing facial mask. It has a pleasant cooling effect.
Shelf life	36 months at appropriate storage, unopened
